EDEL SOCCER MULTIBLADE

THE BEST CHOICE FOR BUDGET MULTI-PURPOSE FIELDS

CHARACTERISTICS

8.700/6 DTEX

RESILIENT
WING SHAPE

250 μM

STABILIZING
SOLID CORE

1,10 mm

BICOLOR

- Strong resilient yarn
- Good wear and tear
- Natural bicolor

EXCELLENCE

- Affordable multi purpose field
- Proven strong yarn design
- Best value for money
- Good grip and torsion properties
- Optimized ball roll speed and behavior

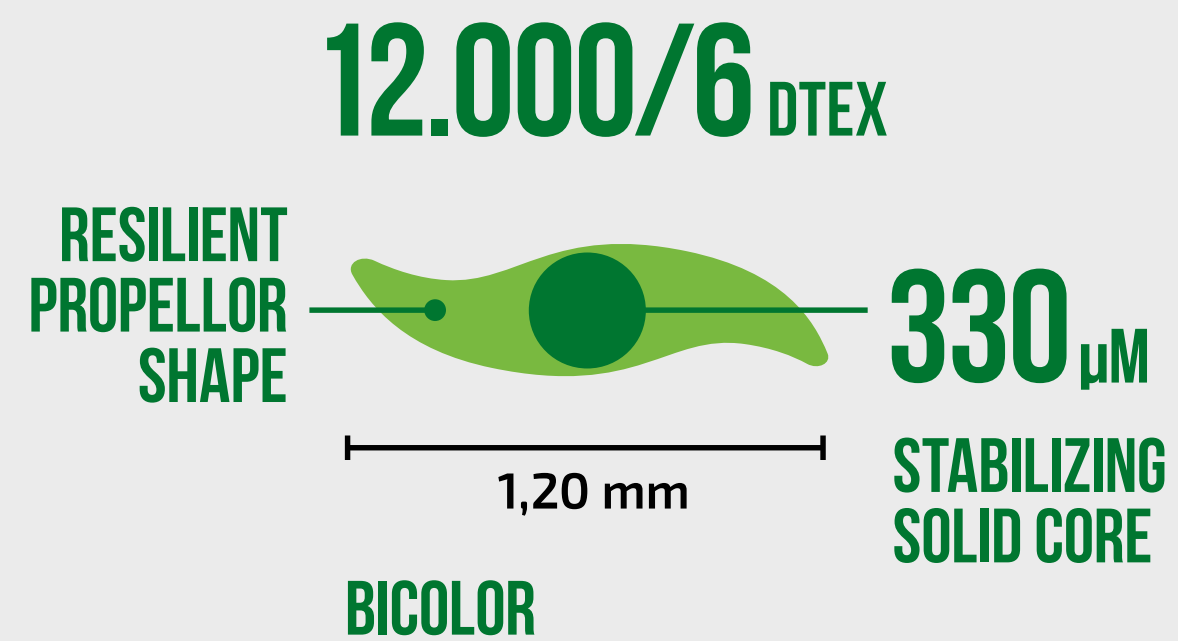

> edelgrass.com

EDEL SOCCER FLEXBLADE

THE MOST ECONOMIC CHOISE FOR HIGH PERFORMANCE

CHARACTERISTICS

- Bi-directional resilience
- Good wear and tear
- Natural bicolor

EXCELLENCE

- Economic and durable soccer field
- Flexible but strong yarn shape
- Good grip and torsion properties
- Optimized ball roll speed and behavior
- Certified systems
